NAMES

Andes WR: Malpractice update. 134, Dec, c

Angoff J: Tort reform: the miracle cure or just a placebo? 64, Oct, c

Artal R: How much may pregnant women exercise? 134, AW86, s

Averette HE: Ovarian cancer: optimal chemotherapy regimens. 108, Dec, s
When should you refer patients to an oncologist? 113, Aug, s

Bailie IE: Osteoporosis link to high protein 14, Aug, et

Baker ER: Menstrual irregularity and athletic injury. 45, AW86, oa

Ballad R: Malpractice update. 161, Jul, mu

Malpractice update. 17, Aug, mu

Malpractice update. 207, Sep, mu

Malpractice update. 150, Oct, mu

Malpractice update. 199, Nov, mu

Malpractice update. 131, Dec, mu

Tort reform: the miracle cure or just a placebo? 49, Oct, oa

Barnes W: Retroperitoneal approaches to pelvic surgery. 83, S86, oa

Barnhill DR: Take advantage of rotational flaps for vulvar and vaginal surgery. 159, Nov, oa

Bar-Or O: Guidelines on prepubertal exercise. 71, AW86, oa

Barter JF: Staplers for gyn surgery—what's available? 87, T87, oa

Batzner FR: Test kits for ovulation and pregnancy. 7, T87, oa

Beck L: Mapping surgery for vesicovaginal fistulas. 75, Jul, oa

Bender HG: Mapping surgery for vesicovaginal fistulas. 75, Jul, oa

Bergeron C: Screening devices for cervical and endometrial Ca. 55, T87, oa

Berman P: Radiology combined with ultrasound. 23, Oct, et

Blakemore K: Lactation suppression is a

matter of choice. 39, Nov, oa

Blank KA: Repairing rectovaginal fistulas with the Martius graft. 95, S86, oa

Boesel RR: Umbilical cord blood studies help assess fetal respiratory status. 63, Nov, oa

Bond MB: Reproductive hazards in the workplace. 57, Sep, oa

Boronow RC: When should you refer patients to an oncologist? 113, Aug, s

Bowen O: Tort reform: the miracle cure or just a placebo? 68, 70, Oct, c

Boyce J: Tracking mixed mesodermal malignancies. 99, Aug, oa

Brar HS: Medications for asthma during pregnancy. 145, Sep, oa

Burke TW: Take advantage of rotational flaps for vulvar and vaginal surgery. 159, Nov, oa

Burnhill MS: Taking a serious approach to vulvovaginitis. 69, Sep, oa

Buster JE: Nonsurgical donor ovum transfer: new option for infertile couples. 39, Aug, oa

Camiel MR: Mondor's disease in the breast. 38, Dec, oa

Campbell S: Doppler ultrasound: What does the future hold? 100, T87, s

Catanzarite VA: How to manage uterine inversion. 81, Sep, oa

Clapp JF: How much may pregnant women exercise? 134, AW86, s

Clark L: When children watch their mothers deliver. 69, Aug, oa

Clyman B: How much may pregnant women exercise? 134, AW86, s

Cohen CJ: Ovarian cancer: optimal chemotherapy regimens. 108, Dec, s

Cole WC: Exploring myometrial gap junctions. 107, Sep, oa

Copel JA: Doppler ultrasound: What does the future hold? 100, T87, s

Copeland LR: Who cares for Ca patients? 16, Oct, et

Cressman WT: ERT after surgery for endometrial Ca? 39, Oct, oa

Gyn exam: establishing continuity of care. 172, Nov, s

Crootof RE: Turn away pregnant patients who smoke? 13, Sep, et

Damewood MD: Infertility surgery: keys to success. 194, Sep, s

Latest techniques improve IVF success rates. 41, T87, oa

Dargent D: Outpatient conization. Author's reply. 11, Sep, et

Darney PD: Contraception: Are implants the answer? 29, Jul, oa

Davis J: Tort reform: the miracle cure or just a placebo? 52, Oct, c

Davis MR: Osteoporosis detection—screening the screens. 95, Dec, oa

DeCosta EJ: Question of feeding after hysterectomy. 16, Sep, et

Delaney JJ: EFM opinions. 15, Nov, et

Delgado G: Retroperitoneal approaches to pelvic surgery. 83, S86, oa

Deiter JC: Advances in detecting hemoglobin disorders. 11, Jul, et

DeVore GR: Doppler ultrasound: What does the future hold? 100, T87, s

Domini WD: Editorial opinions. 11, Jul, et

Donnelly GZ: Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et

Drukker BH: Gyn exam: establishing continuity of care. 172, Nov, s

Duff P: Predicting and preventing postcesarean endometriosis. 31, Nov, oa

Eichner E: Treatment for PMS. 15, Nov, et

Engdahl Hoffman KL: Gestational nausea: a role for antiemetics? 163, Sep, oa

Eskeew PN Jr: Gyn exam: establishing continuity of care. 172, Nov, s

Fabri PJ: Hemorrhoids—what are the therapeutic options? 133, S86, oa

Falk RJ: Laparoscopic surgery for tubal pregnancy—how realistic an option? 21, S86, oa

Ferenczy A: Hyperplasia vs. neoplasia: two tracks for the endometrium? 79, Aug, oa

Screening devices for cervical and endometrial Ca. 55, T87, oa

Screening for cervical cancer: a renewed plan for annual smears. 93, Jul, oa

Finkemeier WR: Hemorrhoids—what are therapeutic options? 133, S86, oa

Flynn B: Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et

Fortier L: Postabortive ultrasound. 16, Sep, et

Freeman RK: Problems of postdate pregnancy. 73, Oct, oa

Frisch RE: Comparing cancer risks in athletes and nonathletes. 15, AW86, oa

Galask RP: AIDS: not just a man's problem any more. 128, Oct, s

Galen DI: Technique the key to successful reanastomosis. 16, Jul, et

Garguilo GA: Colostomies—permanent and temporary. 149, S86, oa

Garite TJ: Case of fetal tachycardia. 22, Nov, efm

Seeking the cause of transient bradycardia. 36, Sep, efm

Gelfand MM: Estrogen-androgen therapy. 13, Oct, et

Hyperplasia vs. neoplasia: two tracks for the endometrium? 79, Aug, oa

Gibson WP: Epidural fentanyl for labor pain. 111, Oct, oa

Gornel V: Mastering reconstructive tubal microsurgery. 31, S86, oa

Gowder TD: Presence of siblings at birth. 16, Dec, et

Graham CG: Question of feeding after hysterectomy. 16, Sep, et

Greenblatt RB: Estrogen-androgen therapy. Author's reply. 16, Oct, et

Sexual dysfunction in women: Does testosterone help? 129, Jul, oa

Grossman R: How to manage uterine inversion. 81, Sep, oa

Growden WA: Modified Pereyra procedure for SUI. 121, S86, oa

Guinan ME: Banishing AIDS for donor semen. 27, Dec, oa

EDITORIAL INDEX

- Heland K:** Tort reform: the miracle cure or just a placebo? 52, Oct, c
- Hill EC:** Exploring the anatomy of the retroperitoneum. 65, S86, oa
- Literature on nausea and vomiting. Authors' reply. 16, Dec, et
- Hoskins WJ:** Ovarian cancer: optimal chemotherapy regimens. 108, Dec, s
- Take advantage of rotational flaps for vulvar and vaginal surgery. 159, Nov, oa
- Howett MK:** Basic biology of papillomaviruses. 11, Nov, oa
- Hoy G:** ECMO for severe neonatal respiratory failure. 21, T87, oa
- Jacobson A:** Technique the key to successful reanastomosis. 16, Jul, et
- Jacott WE:** Tort reform: the miracle cure or just a placebo? 68, Oct, c
- Jensen AB:** HPV immunology is promising, but we need to know more. 59, Dec, oa
- Johnson JWC:** Umbilical cord blood studies help assess fetal respiratory status. 63, Nov, oa
- Johnson K:** Tort reform: the miracle cure or just a placebo? 70, Oct, c
- Johnson TRB:** Choosing a birthing bed to meet everyone's needs. 70, T87, oa
- Clinical estimation of gestational age. 55, Aug, oa
- Kane R:** Who should pay insurance premiums? 16, Nov, et
- Keszier M:** ECMO for severe neonatal respiratory failure. 21, T87, oa
- King JC:** How much may pregnant women exercise? 134, AW86, s
- Kirz DS:** Literature on nausea and vomiting. 13, Dec, et
- Kopelman JN:** Predicting and preventing postcesarean endometriosis. 31, Nov, oa
- Kurman RJ:** HPV immunology is promising, but we need to know more. 59, Dec, oa
- Kustin J:** Addressing concerns of amenorrheic athletes. 35, AW86, oa
- Lagasse L:** When should you refer patients to an oncologist? 113, Aug, s
- Lancaster WD:** HPV immunology is promising, but we need to know more. 59, Dec, oa
- Laughhead MK:** Ultrasound for today's clinician. 138, Jul, s
- Lebherz TB:** Modified Pereyra procedure for SUI. 121, S86, oa
- Lepage S:** Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et
- Leppert PC:** Adolescent's first pelvic exam. 76, AW86, oa
- Levine RL:** When pelviscopy may be the solution. 61, Jul, oa
- Lindsay R:** Osteoporosis link to high protein intake. Authors' reply. 14, Aug, et
- Lloyd TA:** Menstrual irregularity and athletic injury. 45, AW86, oa
- Lockwood C:** How to spot duodenal atresia. 27, Oct, oa
- Lynch L:** Diagnosing nonimmune hydrops. 24, Sep, uc
- Macasae M:** Tracking mixed mesodermal malignancies. 99, Aug, oa
- Machol L:** Comparing cancer risks in athletes and nonathletes. At long last: hard data on women. 26, AW86, oa
- Magos AL:** PMS facts and fiction. 23, Aug, ca
- Maheux R:** LH-RH agonists—how useful against uterine leiomyomas? 66, Dec, oa
- Maiman M:** Tracking mixed mesodermal malignancies. 99, Aug, oa
- Margoless RG:** Breast Ca treatment: Where do we stand? 39, Jul, oa
- Margolin ML:** Ultrasound for today's clinician. 138, Jul, s
- Marks M:** Hydroxyurea plus radiation therapy to improve survival in cervical Ca. 113, Jul, ppc
- Mascole L:** Banishing AIDS for donor semen. 27, Dec, oa
- McCarthy S:** How MRI is helping diagnose gyn disease. 151, Nov, oa
- Mead PB:** AIDS: not just a man's problem any more. 128, Oct, s
- Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et
- Why is AIDS important to us? 127, Oct, ed
- Menelly GS:** Obtaining the geriatric history. 177, Sep, oa
- Merkatz IR:** Gyn exam: establishing continuity of care. 172, Nov, s
- Mikuta JJ:** When should you refer patients to an oncologist? 113, Aug, s
- Minaker KL:** Obtaining the geriatric history. 177, Sep, oa
- Minkoff HL:** AIDS: not just a man's problem any more. 128, Oct, s
- How we can prevent group B β -hemolytic streptococcal sepsis. 100, Oct, oa
- Mirkin G:** Dietary fat abels coronary artery disease. 115, AW86, oa
- Miyazaki FS:** Are there side effects of amniocentesis? Author's reply. 13, Oct, et
- Relieving variable decelerations by amniocentesis. 47, Jul, oa
- Montgomery JT:** Advantages of the IU catheter and fetal spiral electrode. 75, T87, oa
- Murphy AA:** Infertility surgery: keys to success. 194, Sep, s
- Nelson JH:** Ovarian cancer: optimal chemotherapy regimens. 108, Dec, s
- Nichols DH:** Treating incontinence transvaginally. 109, S86, oa
- Niebyl JR:** Making the breastfeeding decision. 43, Sep, oa
- When your patient has incompetent cervix. 23, Jul, pr
- O'Leary:** Stop ob hemorrhage with uterine artery ligation. 13, S86, oa
- Olson AE:** Umbilical cord blood studies help assess fetal respiratory status. 63, Nov, oa
- Onnis A:** Advanced ovarian Ca—therapeutic strategies. 79, Nov, oa
- Osterkamp TL:** Ultrasound for today's clinician. 138, Jul, s
- Paine LL:** Choosing a birthing bed to meet everyone's needs. 70, T87, oa
- Petrilli ES:** Staging and surgical treatment of ovarian Ca. 51, S86, oa
- Piver MS:** Hydroxyurea plus radiation therapy to improve survival in cervical Ca. 113, Jul, ppc
- Uterine cancer: new thoughts on postoperative therapy. 45, Dec, oa
- Place J:** Are there side effects of amniocentesis? 13, Oct, et
- Platt LD:** Ultrasound for today's clinician. 138, Jul, s
- Pollock AV:** Topical antimicrobials for ob-gyn infection. 81, Dec, oa
- Ponchak SF:** Treating incontinence transvaginally. 109, S86, oa
- Queenan JT:** Changing scene in the delivery room. 11, Aug, ed
- C/S rate: out of sight, but not out of mind. 7, Oct, ed
- Doppler: tomorrow's window. 4, T87, ed
- From the cutting edge: some important news. 9, Sep, ed
- Gyn exam: establishing continuity of care. 172, Nov, s
- MMWR:** the meanings behind the numbers. 9, Nov, ed
- Morning-after pill: Why keep it a secret? Editor's reply. 16, Jul, et
- There's no substitute for experience, but sometimes you wish there were. 7, Jul, id
- Time to get active against passive smoking. 9, Dec, ed
- Who should pay insurance premiums? Editor's reply. 16, Nov, et
- Rapp F:** Basic biology of papillomaviruses. 11, Nov, oa
- Rayburn WF:** Gestational nausea: a role for antiemetics? 163, Sep, oa
- Literature on nausea and vomiting. Authors' reply. 16, Dec, et
- Rebar RW:** Addressing concerns of amenorrheic athletes. 35, AW86, oa
- Reed KL:** Doppler ultrasound: What does the future hold? 100, T87, s
- Repike JR:** Choosing a birthing bed to meet everyone's needs. 70, T87, oa
- Richart RM:** HPV infection. 106, Nov, ed
- Hydroxyurea plus radiation therapy to improve survival in cervical Ca. 113, Jul, ppc
- Hyperplasia vs. neoplasia: challenging the continuum concept. 78, Aug, ed
- Rock JA:** Infertility surgery: keys to success. 194, Sep, s
- Rosenberg MH:** Tort reform: the miracle cure or just a placebo? 64, Oct, c
- Rowe TC:** Mastering reconstructive tubal microsurgery. 31, S86, oa
- Sanz LE:** Anatomy of an issue. 11, GS86, ed
- Repairing rectovaginal fistulas with the Martius graft. 95, S86, oa
- Staplers for gyn surgery—what's available? 87, T87, oa
- Sauer MV:** Nonsurgical donor ovum transfer: new option for infertile couples. 39, Aug, oa
- Schaum M:** Specialty societies attack surcharge. 203, Nov, c
- Schiff I:** Comparing cancer risks in athletes and nonathletes. 15, AW86, oa
- Schinfeld JS:** Does exercise affect sexuality? 73, AW86, oa
- Schireldi FG:** Foot problems during pregnancy. 127, AW86, oa
- Schwartz RH:** AIDS: not just a man's problem any more. 128, Oct, s
- Scott MM:** Literature on nausea and vomiting. 13, Dec, et
- Secker-Walker R:** Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et
- Sedlis A:** Tracking mixed mesodermal malignancies. 99, Aug, oa
- Semchyahyn S:** Rating the C/S rate. 23, Dec, et
- Serden S:** Ultrasound for today's clinician. 138, Jul, s
- Shengold MM:** Sharpening our wits for pointed questions. 9, AW86, ed
- Shaw NS:** Serving you patients in the age of AIDS. 141, Oct, oa
- Siva Subramanian KN:** ECMO for severe neonatal respiratory failure. 21, T87, oa
- Smith EL:** Exercise can reduce bone loss. 53, AW86, oa
- Smith HO:** Indications and technique for vaginal hysterectomy. 125, Sep, oa
- Soloff MS:** Oxytocin's role in parturition. 85, Oct, oa
- Solomon LJ:** Turn away pregnant patients who smoke? Authors' reply. 16, Sep, et
- Stein J:** Advances in detecting hemoglobin disorders. 11, Jul, et
- Storch ML:** How to treat the nontraditional patient. 93, AW86, oa
- Studd JWW:** PMS facts and fiction. 23, Aug, oa
- Stumpf P:** Menstrual irregularity and athletic injury. 45, AW86, oa
- Tallon JR Jr:** New Yorkers win right to obtain medical records 211, Nov, c
- Teran A-Z:** Sexual dysfunction in women: Does testosterone help? 129, Jul, oa
- Thompson JD:** Indications and technique for vaginal hysterectomy. 125, Sep, oa
- Thornton DR Jr:** When should you refer patients to an oncologist? One practitioner's experience. 116, Aug, s
- Who cares for Ca patients? Author's reply. 19, Oct, et
- Tobias A:** Tort reform: the miracle cure or just a placebo? 52, Oct, c
- Towers C:** Case of fetal tachycardia. 22, Nov, ef
- Seeking the cause of transient bradycardia. 36, Sep, ef
- Townsend DE:** Outpatient conization. 13, Sep, et
- Tulsky:** Decreasing the US hysterectomy rate. 15, Nov, et
- Walden WD:** Morning-after pill: Why keep it a secret? 11, Jul, et
- Wallach EE:** Infertility surgery: keys to success. 194, Sep, s
- Latest techniques improve IVF success rates. 41, T87, oa
- Weaver K:** Magnesium in ob diets. 19, Sep, at
- Weiser EB:** Take advantage of rotational flaps for vulvar and vaginal surgery. 159, Nov, oa
- Wilkins I:** Determining fetal sex. 19, Jul, uc
- Wiswell RA:** How much may pregnant women exercise? 134, AW86, s
- Zook SK:** Exercise can reduce bone loss. 53, AW86, oa

SUBJECTS

ABNORMALITIES

Advanced techniques can't save all preemies. 163, Oct, nl

Colostomies—permanent and temporary. 149, S86, oa

Diagnosing nonimmune hydrops. 24, Sep, uc

Does vomiting during pregnancy cause malformations? 227, Sep, nl

Extrarenal problems of prune belly syndrome. 178, Jul, nl

Free-for-all in New Jersey courtroom. 199, Nov, mu

Guidance needed in wrongful life suits. 207, Sep, mu

How to spot duodenal atresia. 27, Oct, oa

Radiology combined with ultrasound. 23, Oct, et

Rapid karyotyping guides intervention. 176, Jul, nl

Ultrasound for today's clinician. 149, 159, Jul, s

ABORTION

Adolescent's first pelvic exam. 85, AW86, oa

Anesthesia may endanger fetus. 230, Sep, nl

Morning-after pill: Why keep it a secret? 11, Jul, et

No law to protect grandparenthood. 131, Dec, mu

Physician cleared of fraud in possible abortion. 153, Oct, mu

Postabortion ultrasound. 16, Sept, et

Price of failed abortion. 214, Sep, mu

ABORTION, ELECTIVE

Rapid karyotyping guides intervention. 176, Jul, nl

ABSORPTIOMETRY, PHOTON

Osteoporosis detection—screening the screens. 97, 101, 102, Dec, oa

ACIDOSIS

Umbilical cord blood studies help assess fetal respiratory status. 71, 72, Nov, oa

ACQUIRED IMMUNODEFICIENCY SYNDROME (see AIDS)

ACTION ANALYSIS

Osteoporosis detection—screening the screens. 103, Dec, oa

ACYCLOVIR

Varicella resistance to drug undetected. 227, Sep, nl

ADENOCARCINOMA

ERT after surgery for endometrial Ca? 39, Oct, oa

Hyperplasia vs. neoplasia: two tracks for the endometrium? 79, Aug, oa

ADNEXA UTERI

Ultrasound for today's clinician. 143, Jul, s

When pelviscopy may be the solution. 65, 66, Jul, oa

ADOLESCENCE

Addressing concerns of amenorrheic athletes. 38, AW86, oa

Adolescent's first pelvic exam. 76, AW86, oa

Guidelines on prepubertal exercise. 71, AW86, oa

Gyn exam: establishing continuity of care. 172, Nov, s

How to treat the nontraditional patient. 101, AW86, oa

AGED

How to treat the nontraditional patient. 101, AW86, oa

AIDS

AIDS: not just a man's problem any more. 128, Oct, s

Banishing AIDS from donor semen. 27, Dec, oa

Serving your patients in the age of AIDS. 141, Oct, oa

STDs down slightly in Canada. 228, Nov, nl

Why is AIDS important to us? 127, Oct, ed

ALCOHOL, ETHYL

Topical antimicrobials for ob-gyn infection. 81, Dec, oa

AMENORRHEA

Addressing concerns of amenorrheic athletes. 35, AW86, oa

Exercise can reduce bone loss. 56, 61, AW86, oa

AMERICAN COLLEGE OF OBSTETRICIANS AND GYNECOLOGISTS

Tort reform: the miracle cure or just a placebo? 51, Oct, oa

AMERICAN FERTILITY SOCIETY

AFS issues guidelines on new reproductive technologies. 226, Nov, nl

AMINOPHYLLINE

Medications for asthma during pregnancy. 147, Sep, oa

AMNIOCENTESIS

Case of fetal tachycardia. 22, Nov, efm

Diagnosing nonimmune hydrops. 33, Sep, uc

How to spot duodenal atresia. 31, Oct, oa

Ultrasound for today's clinician. 140, 149, Jul, s

AMNIOTIC FLUID

Are there side effects of amniocentesis? 13, Oct, et

How to spot duodenal atresia. 31, Oct, oa

Relieving variable decelerations by amniocentesis. 47, Jul, oa

AMPICILLIN

ECMO for severe neonatal respiratory failure. 34, T87, oa

How we can prevent group B β -hemolytic streptococcal sepsis. 101, Oct, oa

Predicting and preventing postcesarean endomyometritis. 35, 36, Nov, oa

ANALGESICS

Epidural fentanyl for labor pain. 111, Oct, oa

Lactation suppression is a matter of choice. 45, Nov, oa

Mondor's disease in the breast. 38, Dec, oa

ANATOMY

Adolescent's first pelvic exam. 83, AW86, oa

Anatomy of an issue. 11, S86, ed

Exploring the anatomy of the retroperitoneum. 65, S86, oa

Retroperitoneal approaches to pelvic surgery. 83, S86, oa

ANDROGENS

Does exercise affect sexuality? 66, AW86, oa

Estrogen-androgen therapy. 13, Oct, et

Lactation suppression is a matter of choice. 50, Nov, oa

Sexual dysfunction in women: Does testosterone help? 129, Jul, oa

ANESTHESIA

Anesthesia may endanger fetus. 230, Sep, nl

ANOXIA

Doppler ultrasound: What does the future hold? 110, T87, s

EFM opinions. 15, Nov, et

ANTENATAL CARE (see **PRENATAL CARE**)

ANTIBIOTICS

Case of fetal tachycardia. 26, Nov, efm

Mastering reconstructive tubal microsurgery. 33, S86, oa

Predicting and preventing postcesarean endomyometritis. 31, Nov, oa

Topical antimicrobials for ob-gyn infection. 82, Dec, oa

ANTIBODIES

Banishing AIDS from donor semen. 34, Dec, oa

ANTIEMETICS

Does vomiting during pregnancy cause malformations? 227, Sep, nl

Gestational nausea: a role for antiemetics? 163, Sep, oa

Literature on nausea and vomiting. 13, Dec, et

ANTIHISTAMINES (see **HISTAMINE H₁ RECEPTOR BLOCKADERS**)

ANUS

Hemorrhoids—what are the therapeutic options? 133, S86, oa

APGAR SCORE

Umbilical cord blood studies help assess fetal respiratory status. 63, 71, Nov, oa

APTITUDE

How lost earnings are computed in lawsuits. 199, Nov, mu

ARRHYTHMIA

Diagnosing nonimmune hydrops. 25, Sep, uc

ARTERIOSCLEROSIS

Dietary fat abets coronary artery disease. 119, AW86, oa

ASPHYXIA

Problems of postdate pregnancy. 74, 77, Oct, oa

Umbilical cord blood studies help assess fetal respiratory status. 63, Nov, oa

ASTHMA

Medications for asthma during pregnancy. 145, Sep, oa

ATHLETICS (see **EXERCISE THERAPY; SPORTS**)

ATTORNEYS

Tort reform: the miracle cure or just a placebo? 54, Oct, oa

BACTERIAL INFECTIONS (see **INFECTION; SPECIFIC INFECTIOUS AGENTS**)

BECLOMETHASONE

Medications for asthma during pregnancy. 153, Sep, oa

BIOPSY

Advanced ovarian Ca—therapeutic strategies. 97, Nov, oa

Hyperplasia vs. neoplasia: two tracks for the endometrium? 91, Aug, oa

When should you refer patients to an oncologist? 135, Aug, s

BIOPSY, NEEDLE

Diagnosing and treating nonpalpable breast Ca. 227, Sep, nl

BIRTH DEFECTS (see **ABNORMALITIES**)

BISMUTH

Gestational nausea: a role for antiemetics? 168, Sep, oa

BLADDER

Exploring the anatomy of the retroperitoneum. 66, 67, S86, oa

Mapping surgery for vesicovaginal fistulas. 75, Jul, oa

Modified Pereyra procedure for SUL. 121, S86, oa

Treating incontinence transvaginally. 109, S86, oa

BLASTOCYSTS

Nonsurgical donor ovum transfer: new option for infertile couples. 40, Aug, oa

BLOOD BANKS

AIDS: not just a man's problem any more. 130, Oct, s

BLOOD CIRCULATION

Guidelines on prepubertal exercise. 73, AW86, oa

BLOOD FLOW VELOCITY

How much may pregnant women exercise? 148, AW86, s

BLOOD GAS ANALYSIS

ECMO for severe neonatal respiratory failure. 25, T87, oa

Umbilical cord blood studies help assess fetal respiratory status. 67, 72, Nov, oa

BLOOD TRANSFUSION, INTRAUTERINE

Breakthroughs in fetal blood sampling. 147, Aug, nl

BLOOD TRANSFUSIONS

AIDS: not just a man's problem any more. 132, Oct, s

CMV and blood transfusions. 163, Oct, nl

BODY COMPOSITION

Comparing cancer risks in athletes and nonathletes. 16, 26, 28, AW86, oa

BODY TEMPERATURE

Clinical estimation of gestational age. 55, 56, Aug, oa

Guidelines on prepubertal exercise. 73, 75, AW86, oa

BODY WEIGHT

Comparing cancer risks in athletes and nonathletes. 28, AW86, oa

Foot problems during pregnancy. 127, AW86, oa

How much may pregnant women exercise? 143, AW86, s

Kicking the habit means gaining the pounds. 157, AW86, nl

BONE AND BONES

Addressing concerns of amenorrheic athletes. 41, AW86, oa

ERT after surgery for endometrial Ca? 39, Oct, oa

Exercise can reduce bone loss. 53, AW86, oa

Menstrual irregularity and athletic injury. 46, AW86, oa

Osteoporosis detection—screening the screens. 95, Dec, oa

EDITORIAL INDEX

BRADYCARDIA

Are there side effects of amnioinfusion? 13, Oct, et

Relieving variable decelerations by amnioinfusion. 51, Jul, oa

Seeking the cause of transient bradycardia. 36, Sep, etm

BREAST

Gyn exam: establishing continuity of care. 182, 186, Nov, s

BREAST DISEASES

Mondor's disease in the breast. 38, Dec, oa

BREAST NEOPLASMS

Breast Ca prognosis best between ages 35 and 49. 161, AW86, nl

Breast Ca treatment: Where do we stand? 39, Jul, oa

Diagnosing and treating nonpalpable breast Ca. 227, Sep, nl

BREASTFEEDING

Lactation suppression is a matter of choice. 39, Nov, oa

Making the breastfeeding decision. 43, Sep, oa

Medications for asthma during pregnancy. 159, Sep, oa

BROMOCRIPTINE

Lactation suppression is a matter of choice. 45, 54, Nov, oa

BRONCHODILATOR AGENTS

Medications for asthma during pregnancy. 146, 148, Sep, oa

BUPIVACAINE

Epidural fentanyl for labor pain. 117, 121, Oct, oa

BUSERELIN ACETATE

LH-RH agonists—how useful against uterine leiomyomas? 66, 67, 68, Dec, oa

CALCIUM
